

## Welcome

British Transport Police is the national police force for the railways providing a policing service to rail operators, their staff and passengers throughout England, Scotland and Wales.

Every day, we police the journeys of over six million passengers and 400,000 tonnes of freight over 10,000 miles of track. We believe travelling is about more than just getting there. It's about ensuring safety and security all the way.

## Latest news

### COLD CASE REVIEW

The NPJA and BTP have launched a review into a series of unidentified fatalities dating back 35 years.
