

**Freedom of Information request 01/FOI/21/1027**

**I would like to make an FOI regarding salaries and inflation.**

**Please can you confirm whether BTP has adjusted salaries to reflect a rise in inflation?**

**If BTP has not adjusted salaries to reflect inflation, please may you confirm whether such rise is envisaged within the calendar year ending 2022?**

**RESPONSE**

Salaries in BTP were increased in 2020 by 2.5% for inflation in line with the national police pay settlement. In 2021 there was 0% pay inflation, again, in-line with the national position. For 2022 we await the inflation recommendation of the independent Police Remuneration Review Body.
