

**Freedom of Information request 01/FOI/22/1369**

**Split by calendar 2018 to date, how many vehicles have been seized by your force for having not having a valid motor insurance policy.**

**RESPONSE**

It should be noted that British Transport Police has jurisdiction for the railway network in England, Scotland and Wales and there are limited circumstances in which BTP officers would be involved in roads policing.

There are 191 crimes recorded on our Niche records management system between 01/01/2018 and 01/08/2022 under crime classification Z38 – Drive Without Insurance.

We have interrogated this data for records where the crime report contains an indication in the 'vehicle classification' field that the vehicle was seized. Please find this data on the table below. Please note that this field is not used to internal reporting and therefore caution should be applied as to the accuracy of the data.
