

Freedom of Information request 01/FOI/22/1386

Income received from texts to 61016

Please can you detail the total income earned from non-emergency texts to the 61016 number for the following financial years:

2021/22

2020/21

2019/20

2018/19

2017/18

2016/17

And where there is a payment due to the mobile operating companies for handling these texts, please can this be made clear too.

RESPONSE

No information held.

British Transport Police does not generate income from the 61016 TEXT service.

Mobile Network Service Providers may charge their customers for handling short code texts like 61016. These charges vary between providers, who would be able to provide details.
