

Freedom of Information request ref 01/FOI/25/3468
We received your request on the 18/06/2025.

Request

You asked us:

Has anyone who has been sacked from the police force join the transport police

We have handled your request under the Freedom of Information Act (FOIA)

Our response:

British Transport Police follow the guidance set out in the College of Policing 'Authorised Professional Practice for Vetting', as do all other police forces.

This guidance requires us to check the police barred and advisory list and carry out discipline checks for all vetting applicants. This ensures that we do not grant vetting clearances to anyone who has previously been dismissed.
