

Freedom of Information request ref 01/FOI/25/3483
We received your request on the 01/07/2025.

Request

You asked us:

Clarification 01/07/2025

Specifically, with respect to the surveys, I am requesting a copy of the results. I would expect this to ordinarily take the form of a summary report, such as a summary PDF or PPT file, and an accompanying data annex, such as an Excel file containing tables of more detailed results.

Dear British Transport Police,

I write to request a copy of the last five annual workforce surveys conducted by BTP and any intranet articles that accompanied the circulation of their results internally.

Yours faithfully,

We have handled your request under the Freedom of Information Act (FOIA)

Our response:

Please see the accompanying attachments for the All-People Survey Results as well as intranet articles that accompanied the circulation of the results internally.

Please be aware:

The 2021 survey followed a different process, therefore, the data set is presented differently.

The attached file includes the data from 2022-2025 for All People Surveys which were facilitated through our current platform. Also included is a document containing the text from the following intranet articles:

- All People Survey - the results are in! (23 June 2025)
- The All People Survey results are in! (19 August 2024)
- The All People Survey results are in (21 August 2023)
- All People Survey results now available (05 September 2022)

It appears we didn't formally announce the results of the APS in 2021, but they were referenced in this edition of the Chief Constables' Blog and another article in 2021 followed some 'Have your say' sessions with the Chief Constable and is just a reminder of the survey.
