

Freedom of Information request ref 01/FOI/25/3649
We received your request on the 26/08/2025.

Request

You asked us:

By way of foi can you supply the number of railway trespass incidents that BTP have been requested to attend, the number of people apprehended for trespass, the number charged with trespass and the number of cases that went to court for prosecution in the Central belt of Scotland. The time period will be from 22 August 2024 to 21 August 2025.

Clarification received:

Thank you for your reply seeking clarification. Since you are unable to define the central belt of Scotland. Please provide the information for all of Scotland and include the location of the trespass.

We have handled your request under the Freedom of Information Act (FOIA)

Our response:

In order to retrieve data for this request, a search was carried out on BTP's Crime Patterns dashboard. Occurrence references were used to identify outcome categories for these offences where available.

We do not hold data on the outcomes of prosecutions in Scotland, which would be held by the Procurator Fiscal.

Please find the data retrieved on the attached datasheet.
