

## Freedom of Information request 01/FOI/22/1269

How many incidents of disability hate crime during 2020/21 and 2021/22 financial years were recorded as also being linked to other protected characteristics like race, gender, or sexual orientation?

### RESPONSE

In Policing Year 2020-21 BTP recorded 31 notifiable disability related hate crimes.  
In Policing Year 2021-22 BTP recorded 68 notifiable disability related hate crimes.

The table below shows the relationship between the various Hate Crime markers as a single crime may be more than one type of hate crime at a time.

| <b>BTP Recorded Notifiable Crime from 01/04/2020 to 31/02/2022 where the Disability Hate Crime Marker = Y, showing their relationships with other Hate Crime Markers (Racial, Religious, Sexual Orientation and Transgender)</b> |                            |                               |                            |                             |                     |

Please note that Hate Crime currently has five strands (race, religion, sexual orientation, transgender and disability). Therefore, we can answer the question for these protected characteristics.

Other protected characteristics, such as age or sex, do not feature in the Hate Crime definition.
