

Freedom of Information request 01/FOI/22/1278

This is an information request relating to the cost of policing Premier League football games.

Please include the information for the recent Premier League season, from 13th August 2021 to 22nd May 2022:

- **The total cost to the police force of policing Premier League matches. Please provide an estimate if an exact figure can't be provided**
- **The total funds received from Premier League clubs, the Premier League, the FA or any other external organisation as contributions for policing Premier League matches**

Please express this in a way that makes it clear how much it cost the taxpayer for the police force to police Premier League football matches

RESPONSE

1. No information held. Football policing for British Transport Police isn't specific to a football club but for travelling fans of a number of different clubs/leagues depending upon the fixtures on that day.
2. No information held. No funding received during the 2021/22 football season.
