

British Transport Police CED (Taser) Headline Figures for 2020

January to December 2020

Protective Marking - Official

Suitable for Publication – Yes

Creating Branch : Use of Force Compliance Team

The term 'use' includes any of the following actions carried out in an operational setting:

- Drawing the device in circumstances where any person could reasonably perceive the action as a use of force
- Sparking of the device, commonly known as 'arcing'
- Aiming the device or placing the laser sight red dot onto a subject
- Firing a device so that the probes are discharged at a subject or animal
- Application and discharge of a CED in direct contact mode (including three-point contact) and angled drive stun modes discharged in any other operational circumstances, including an unintentional discharge
