Request

You asked us:

I recently made a request (01/FOI/23/2320), where you kindly provided the level of sickness reporting each month of 2017 where either PTSD or stress had been listed as the reason for sickness in BTP police officers or staff. Could I please also request the figures, by month, in 2018 in which either police officers or police staff have provided the reason for their sickness as either PTSD or stress.

We have handled your request under the Freedom of Information Act (FOIA)
