

Freedom of Information request 01/FOI/24/2337
We received your request on the 02/01/2024

Request

You asked us:

How many reported bike thefts were there at BTP stations in 2023 from January 1st-December 31st. If possible broken down by month, and broken down by area (whatever is possible, whether it is county, city or station).

How many reported bike thefts were there at BTP stations in 2021 and, separately, 2022.

We have handled your request under the Freedom of Information Act (FOIA)

Our response:

Please see the attached spreadsheet detailing pedal cycle crimes recorded by BTP in 2023. Please note that any reports detailing identifiable private addresses have been labelled 'Private Address'. The location of crimes taking place on board a moving train are assigned to the end location.

BTP recorded 4000 theft of/from pedal cycle offences in calendar year 2021 (by recorded date).

BTP recorded 6063 theft of/from pedal cycle offences in calendar year 2022 (by recorded date).
