Total

- **The ten railway stations with the highest number of bicycles reported stolen in 2023 (e.g. Kings Cross, Waterloo, Paddington)**

If it is not possible to provide the information requested, please provide advice and assistance as to how I can refine my request. If you can identify any ways that my request could be refined, I would be grateful for any further advice and assistance. If you have any queries, please do not hesitate to contact me via email and I will be very happy to clarify what I am asking for and discuss the request further, my details are outlined below.

We have handled your request under the Freedom of Information Act (FOIA)

Our response:

Please note that 2021, 2022 and 2023 will include periods of time when rail passenger numbers were low, or recovering, from the results of COVID19 lockdowns (no unnecessary travel).

The BTP crime system was searched using the business force crime group (full) for 06B Pedal Cycle and BTP Crime codes "J13- theft of pedal cycle" and "Z65- Theft take pedal cycle without consent of the owner". This was further narrowed using the Occurrence Recorded Date Time for records between the 01/01/2022 to 25/07/2024.

- The total number of bicycles reported stolen from railway stations in 2022, 2023 and 2024 to date:

Year	2022	2023	2024
Total	5564	4795	2223

- The total number of people charged with stealing bicycles from railway stations in 2022, 2023 and 2024 to date:
(Please note that not all named suspects will be charged).

Year	2022	2023	2024
Total	57	101	32

- The total number of bicycles recovered when stolen from railways stations in 2022, 2023 and 2024 to date:

Year	2022	2023	2024
Total	49	34	6
